**Using LINDAT/CLARIAH**

This field must be set to "yes" if the research described in the publication was done using the LINDAT/CLARIAH infrastructure. This applies to most ÚFAL publications! Specifically, if you use data that is available from LINDAT, you should indicate it here even if you did not download the data directly from LINDAT.

# Changes in institutional funding

- the University programme Progres ended in December 2021; new programme Cooperatio has started in January 2022 (see Rector's Directive No. [18/2021](#))

# Admin - Card payments before and during trips

<https://wiki.ufal.ms.mff.cuni.cz/internal:uctovani-cest#ufal-payment-card>

## UFAL payment card

Please do use **only** UFAL payment card for **all payments before your trip** . You can ask Ms. Brdíčková for an assistance. For all payments, the official address of the University should be used:

Univerzita Karlova  
 Matematicko-fyzikální fakulta  
 Ke Karlovu 3, 121 16 Praha 2  
 IČ: 00216208, DIČ: CZ00216208

Do not use your personal cards for any advance payments - this is crucial esp. **for foreign projects**. The only possible alternative is bank transfer / invoice.

You can use your personal cards during trips.
