Using LINDAT/CLARIAH

This field must be set to "yes" if the research described in the publication was done using the LINDAT/CLARIAH infrastructure. This applies to most ÚFAL publications! Specifically, if you use data that is available from LINDAT, you should indicate it here even if you did not download the data directly from LINDAT.

Changes in institutional funding

- the University programme Progres ended in December 2021; new programme Cooperatio has started in January 2022 (see Rector's Directive No. [18/2021](#))
- ÚFAL participates in the fields of
 - Computer Science coordinated by MFF UK (“big”)
 - Linguistics coordinated by FF UK (“small”)
- To-Be-Updated in Biblio in Feb, incl. the instructions for acknowledging it in publications

Admin - Card payments before and during trips

<https://wiki.ufal.ms.mff.cuni.cz/internal:uctovani-cest#ufal-payment-card>

UFAL payment card

Please do use **only** UFAL payment card for **all payments before your trip** . You can ask Ms. Brdíčková for an assistance. For all payments, the official address of the University should be used:

Univerzita Karlova
 Matematicko-fyzikální fakulta
 Ke Karlovu 3, 121 16 Praha 2
 IČ: 00216208, DIČ: CZ00216208

Do not use your personal cards for any advance payments - this is crucial esp. **for foreign projects**. The only possible alternative is bank transfer / invoice.

You can use your personal cards during trips.

Save the dates

- Jun 7-9, 2022, Summer school on Data and Annotation in Prague
Local chair: Silvie Cinková

<https://clsinfra.io/events/training-school/>

- Oct 10-12, 2022, CLARIN Annual Conference 2022 in Prague
Local chair: Eva Hajičová

<https://www.clarin.eu/event/2022/clarin-annual-conference-2022>

In 2020 and 2021, the CLARIN Annual Conference took place virtually. In 2022, we hope to at least partially return to the traditional format, with Prague, Czechia, as the venue. The event will be organised by CLARIN ERIC in collaboration with [LINDAT/CLARIAH-CZ](#).
