

ÚFAL & Transfer

What could you expect from transfer manager

Jiří Valach
16.9.2025

- Time for discussion about your research
- Thinking about ways of application (transfer)
- Basic analysis of transfer potential
- Basic advice about securing IP rights
- Negotiation and some paper work

Questions

1. What is your research result about
2. Who might find it useful
3. What is the difference from existing alternatives = what is its added value?
4. Is it ready to use?

Tasks – it is your product

1. Answering questions
2. Extra work
3. Thinking out-of-the-box

What we have

- Prototypes / Proof of Concept
- Know how
- Contractual research

What we do not have

- Ready to sell products
- Distribution network

What can help us

- CUIP www.cuip.cz
- CUIT www.cuit.cz

Key takeaways

- **Contact me, I have time for you**
- **Rather sooner than later – PUBLISHING = STOP for business**
- **I am not lawyer, nor patent attorney**
