

# We are leaving ÚFAL

Now you can cry

# TODO: title

- It is hard to express how we feel with words

# Something something

- It is hard to express how we feel with words
- So we asked Midjourney to show you

*“two students leaving Czech republic after concluding their PhD/postdoc. The location is Malastrana. It's a dark, sad day and they are surrounded by czech academics crying for their departure. The image is the most czech one a person has ever seen. Everyone is terribly sad.”*
